

## Achievement Summary

You can access the Achievement Summary page using the Assessment tab. Click on Achievement Summary/Analysis.

The screenshot shows the WEAVEonline interface for the Achievement Summary/Analysis page. At the top, there's a 'Cycle and Entity Selection' section with dropdown menus for '2013-2014 (Current)', 'University Art Galleries (UART)', and 'Use Settings from: Texas A&M University'. Below this is the 'Achievement Summary / Analysis' heading. The 'Achievement Summary' section has 'Expand All' and 'Collapse All' buttons, followed by 'Not Met' and 'Met' categories. A red '1' is placed next to the 'Not Met' category. The 'Analysis Questions' section has a link 'Please answer both Analysis Questions', a message 'No Analysis Questions are available for the selected Cycle.', and 'Expand All' and 'Collapse All' buttons. A red '2' is placed next to the 'Expand All' button. Below are two questions with 'Add' buttons: 'Based on the analysis of your findings, what changes are you currently making to improve your program? Identify the specific findings you analyzed and how they led to your decision.' and 'Provide an update for completed or ongoing action plans from the previous year(s). Highlight your improvements.'

1. You can review the Outcomes, Measures, Targets, and Findings for the areas that were Not Met, Partially Met, and Met by clicking on the arrow to the left of the text.
2. Answer both analysis questions. You can expand the boxes using the arrows to the right of the text. Click on the Add button to answer the questions. You can edit the content through the university deadlines. Be sure to mark the Entry Status as Final, and click on the Save button.
